Independent Limited Assurance Statement

To: The Stakeholders of Stratasys, Ltd.

Motive ESG, a division of Motive Development Inc., has been engaged by Stratasys, Ltd. (Stratasys) to provide a limited assurance verification engagement in relation to the selected information set out below.

Engagement Summary

Scope of Assurance Engagement	Conduct independent limited assurance verification of the greenhouse gas (GHG) emissions reported by Stratasys for the period stated below. Verification activities applied in a limited level of assurance verification are less extensive in nature, timing, and extent than in a reasonable level of assurance verification.
Reported GHG Emissions	Stratasys GHG emissions reported as: 1. Scope 1 GHG Emissions: 1,434.12 $mtCO_{2e}$ • Stationary Combustion: 846.00 $mtCO_{2e}$ • Mobile Combustion: 588.12 $mtCO_{2e}$ 2. Scope 2 GHG Emissions: • Market Based: 11,552.48 $mtCO_{2e}$ • Location Based: 11,552.48 $mtCO_{2e}$

	3. Scope 3 GHG Emissions: • Category 1: Purchased Goods and Services: 57,373.58 $mtCO_{2e}$ • Category 2: Capital Goods: 5,104.97 $mtCO_{2e}$ • Category 3: Fuel and Energy Related Activities: 3,569.62 $mtCO_{2e}$ • Category 4: Upstream Transportation and Distribution: 15,359.17 $mtCO_{2e}$ • Category 5: Waste Generated in Operations: 351.43 $mtCO_{2e}$ • Category 6: Business Travel: 3,669.92 $mtCO_{2e}$ • Category 7: Employee Commuting: 5,775.55 $mtCO_{2e}$ • Category 11: Use of Sold Products: 31,827.58 $mtCO_{2e}$ • Category 12: EOL Treatment of Sold Products: 5.97 $mtCO_{2e}$ • Category 13: Downstream Leased Assets: 2,278.37 $mtCO_{2e}$ • Category 15: Investments: 21,797.13 $mtCO_{2e}$
Reporting Period	January 1st, 2025—December 31st, 2025
Reporting Parameters	Operational Control
Reporting Criteria	Stratasys reporting criteria identified as: 1. World Resources Institute (WRI)/World Business Council for Sustainable Development (WBCSD) Greenhouse Gas (GHG) Protocol Corporate Accounting and Reporting Standard (Scope 1 & 2) 2. World Resources Institute (WRI)/World Business Council for Sustainable Development (WBCSD) Greenhouse Gas (GHG) Protocol Corporate Value Chain (Scope 3) Accounting and Reporting Standard
Assessment Standard	Limited assurance engagement conducted in accordance with the International Standard on Assurance Engagements ISAE 3000 (Revised) Assurance Engagements other Than Audits or Reviews of Historical Information issued by the International Auditing and Assurance Standards Board (IAASB)

Respective Responsibilities	The determination and fair representation of the GHG emissions is the sole responsibility of Stratasys. Independent limited assurance verification of the reported emissions is the sole responsibility of Motive ESG.
Summary of Work Performed	Limited assurance verification methodology included, but not limited to: 1. Review of emissions inventory. 2. Review of procedures for data collection, management, and reporting. 3. Review of source data, calculation methodologies, emission factors, conversion factors, and supporting documentation. 4. Interrogation of databases and other systems used in the reporting and compiling of quantitative data. 5. Discussion with key Stratasys personnel.
Conclusion	On the basis of the methodology and within the scope of the engagement, as described above, nothing has come to our attention to indicate that the Stratasys GHG emissions statement referenced above: 1. Is not materially correct and is not a fair representation of the GHG emissions data and information; and 2. Has not been prepared in accordance with World Resources Institute (WRI)/World Business Council for Sustainable Development (WBCSD) Greenhouse Gas (GHG) Protocol Corporate Accounting and Reporting Standard (Scope 1 & 2) & Corporate Value Chain Accounting and Reporting Standard (Scope 3)

Limitations of Our Assurance

The reliability of the assured information is subject to inherent uncertainties, given the available methods for determining, calculating, or estimating the underlying information, whether by Stratasys, Motive ESG, or third-parties independent of this engagement yet whose information may be relied upon within this engagement.

Statement of Independence, Integrity, and Quality Control

Motive ESG is an independent professional services company that specializes in environmental, social, and governance (ESG) management and analytics. Its assurance team has extensive experience in conducting verification over ESG performance and reporting systems and processes. Motive ESG maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards, and applicable legal and regulatory requirements. Motive ESG employees maintain integrity, objectivity, professional competence, confidentiality, and high ethical standards in all business activities.

The assurance team for this work is free from bias and conflict of interest and Motive ESG does not have any involvement in any other projects with Stratasys, Ltd.
